Attention: **Deborah Williams**

Sir:

On 14 November 2001, a Declaration for subsequent U.S. filing was submitted to the PCT branch of the USPTO for submission into the file of PCT/US01/24587 so that the Declaration would be in the file for subsequent U.S. national stage entry. This was **NOT** a request for U.S. national stage entry, and no such request for U.S. National Stage entry has been made

No fees have been paid by applicants for U.S. National Stage entry.

Nevertheless, a U.S. Application No., 10/019,082 has been assigned. Attached hereto is a copy of the document submitted on 14 November 2002 on which has been stamped the U.S. Application No. 10/019,092.

If the USPTO has on record that the PCT application has been nationalized, it is requested that this filing be voided. The USPTO may either nullify the U.S. application number or advise applicants to use this number when Applicants do enter the national stage.

As Applicants have paid no fee for U.S. National stage entry, no overpayment has been made and no refund is due applicants.
